Hi 

I created a case assessment in Confluence but must've forgotten to upload the draft Risk Assessment. I uploaded to Confluence a minute ago.

You can also access the file on the CBI LAN:

G:\RAD\Human Health Prep Files\Sat and Focus Prep\2021-06 June\6-24 Scoping and RAC.

Is this case related to -0124? I believe  worked on that Risk Assessment.

All:

I was wrong about this case....it is not the one I was thinking of (P-20-0125)....off by a year.

[redacted] - trying to find this in confluence/JIRA and can't....did [redacted] already look at it? Final not in NCR....I can quickly look at it as [redacted] is asking....

The draft HHRA was completed by [redacted] so I believe the case is awaiting QAQC. I will defer to [redacted] to see if she knows of any specific issues on this case.

Can you provide me the status of this case? Day 90 is August 2, and this PMN had been flagged a HOF case.
